# EASTCONN ASSISTIVE TECHNOLOGY SERVICES

## CONSULTATION COACHING TRAINING

The EASTCONN Assistive Technology (AT) Team offers a wide variety of services designed to provide districts with the expertise and support needed to match students with disabilities with the appropriate AT tools and services so that they are able to increase, maintain and improve functional capabilities as well as access, participate and progress in the general education curriculum.

### SERVICES INCLUDE:

- **CONSULTATION:** Address issues and concerns as they arise, develop a plan and introduce potential solutions
- **COACHING:** Provide in-depth assistance with implementation of AT/AAC for a specific student or students by providing modeling, observation and monthly feedback over the course of several months
- **TRAINING:** Deliver instruction on how to use the AT/AAC as a follow-up to a consultation/assessment or based on existing needs to support the student, team, school/district

### CONSULTATION, COACHING AND TRAINING SERVICES FEES:

- Half-day (3 hours): \$725
- Full-day (7 hours): \$1,450
- Additional time: \$250 per hour

**ASSESSMENT:** The EASTCONN AT Team provides a comprehensive assessment that includes a review of the student record, consultation with the student's team, observation of the student, assessment in the natural environment including trials, written report and PPT attendance.

### ASSESSMENT SERVICES FEES:

- AT Assessment: \$2,900 - \$3,750
- AAC Assessment: \$3,620 - \$5,350
- Combined AT and AAC Assessment – *Quote Available Upon Request*
- AAC Insurance Funding Request: \$2,000
- AT/AAC Implementation Training: \$725

**CONSORTIUM PACKAGES:** Consortium Packages are ideal for those districts looking to meet the needs of multiple students, classrooms, schools or district-wide. Packages offer savings over fee-for-service, allow for priority scheduling and access to the EASTCONN Lending Library.

Package options include:
