

Student Personnel

The focus of the school is on the learner, the student. The student's educational development toward the school's goals is the central concern of the EASTCONN Board of Director's policies and the administrator's regulations.

Each child shall be given equal opportunity. However, children vary widely in capacities, interests, social and economic background. Therefore, no two can be treated exactly alike if the fullest development of each is to be achieved.

The EASTCONN Executive Committee of the Board of Directors will attempt to erase any limitations of facilities and means that stand in the way of our school's availability to all who wish to learn.

Discrimination among students attending our schools with respect to race, color, religious creed, age, marital status, national origin, sexual orientation, physical disability, gender or identity is prohibited.
